

A. J. INSTITUTE OF MANAGEMENT

A unit of Laxmi Memorial Educational Trust ®

NAAC Accredited Institute

(Approved by AICTE, New Delhi, Affiliated to Mangalore University, Recognised by Govt. of Karnataka)

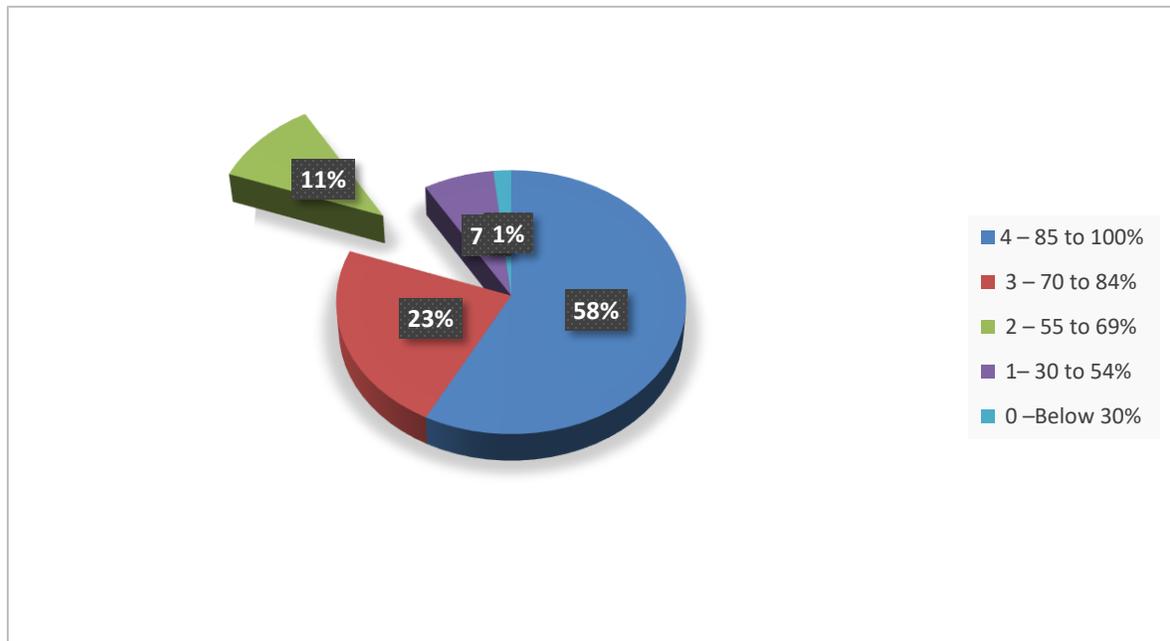

Students Satisfaction Survey for the Academic Year 2022-23

Student satisfaction survey (SSS) was conducted among the students of the Institution through online mode (Google form). The questionnaire has been framed based on multiple aspects of the Institute that can help to streamline the services.

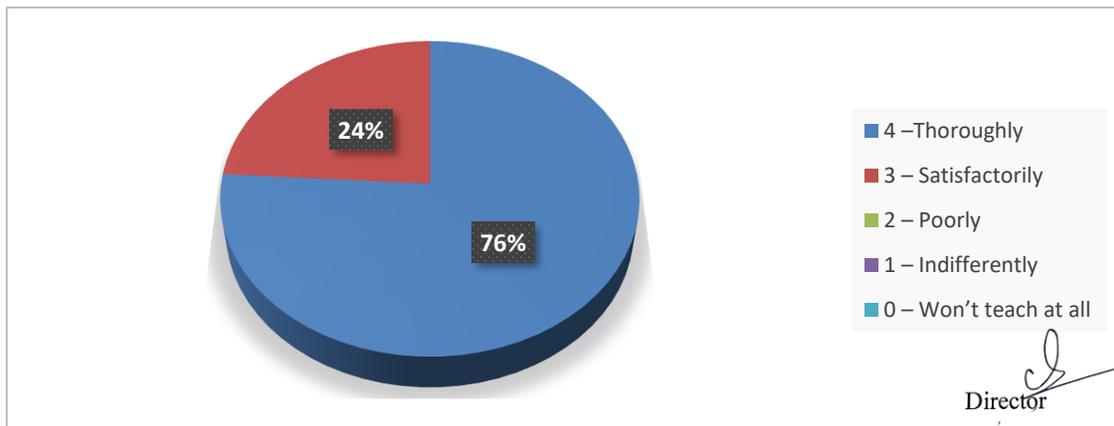

Findings

The responses collected from students were fed to an excel sheet designed for the analysis. The question-wise outcome of the results is presented below:

1. How much of the syllabus was covered in the class?

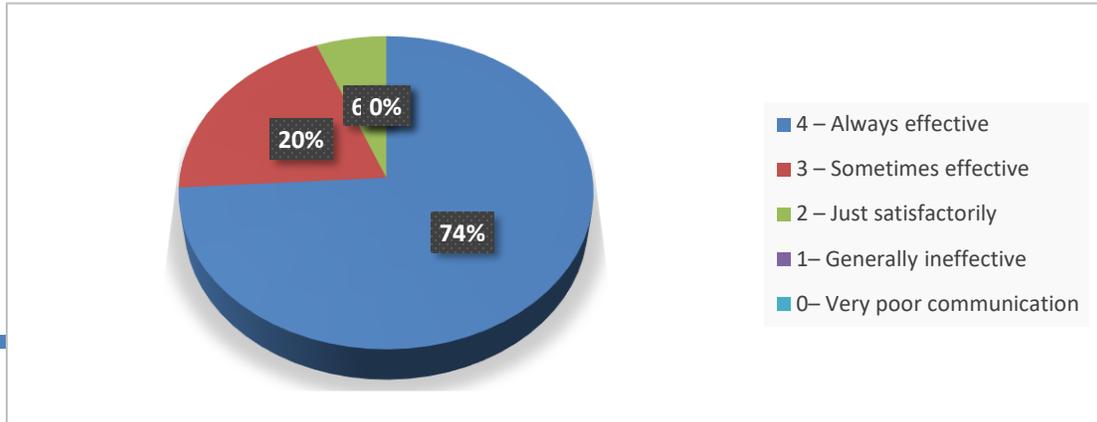

2. How well did the teachers prepare for the classes?

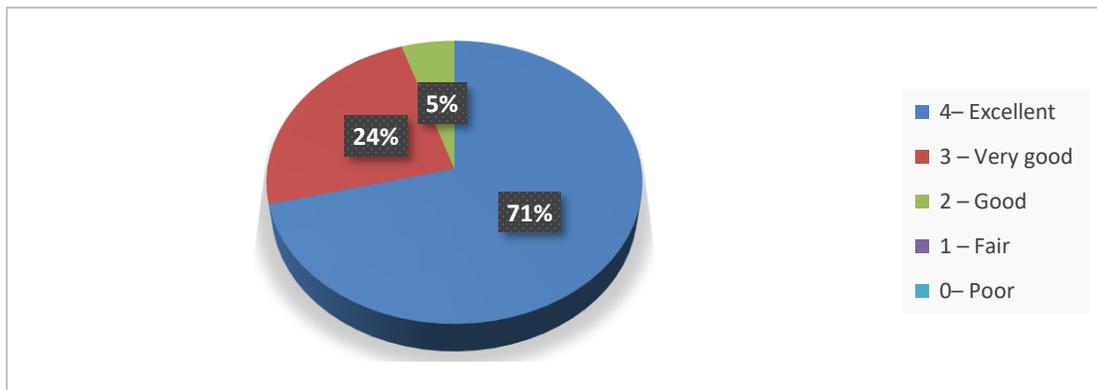

Director

Analysis

The majority of the students (57.71%) have agreed that the faculty cover the syllabus up to 85%–100%, and a minuscule percentage (22.86%) affirmed that the syllabus is covered up to the extent of 70%–84%. 76% of the students opined that the faculty thoroughly prepared for the class. 74% of the students felt that the faculty were able to communicate effectively. 15% of the students opined that the communication of the faculty was sometimes effective, and 9% were just satisfied.

The majority of pupils thought the teacher's teaching style was excellent. (71%), 24% of them marked it to be very good, and 5% of the students rated it to be good. 54% of the students rated that the internal evaluation system is always fair; 40% of the students opined that the internal evaluation system is usually fair; and 6% of the students opined that it is sometimes fair. The majority of the students (83%) opined that their performance on assignments was discussed every time, and 15% of the students opined that it was usually discussed.

Regarding the institute's interest in promoting internship, student exchange, and field visit opportunities for students, 35 percent of the students opined that such opportunities were regularly provided, 39 percent of them opined that they were often provided, and 26% of them opined that they were only provided occasionally. While the Institute actively takes an interest in promoting internships and has mandated that the students complete the internship during the 3rd and 4th semesters, Viva is also conducted during internships so that students can share their experiences and their authenticity is verified. Our institute is recognized under the Unnat Bharath Abhiyan, and under this project, surveys have been conducted in the five villages near Mulki, Karnataka. The survey was taken up in a phased manner on a Sunday, as the survey was conducted on a household. A total of 101 students participated in the survey.

About the teaching and mentoring process at the Institute, 79% of them opined that the process has facilitated cognitive, social, and emotional growth, while 19% of them opined that it is very well. For the 1st and 2nd semesters, separate mentors are being designated to ensure the well-being of the students, i.e., emotional and academic aspects. In the 3rd and 4th semesters, project guides would take on the role of mentors as they would have close interaction with the students.

The majority of the students (83%) strongly agreed that the institution makes an effort to engage students in the monitoring, review, and continuous quality improvement of the teaching and learning process, while 17% of them just agreed to it. Regarding the institute's and teachers use of student-centric methods, such as experiential learning, participative learning, and problem-solving methodologies, 49% of the students have opined that these methods have met their expectations to a great extent, 36% of the students have opined that they have moderately met their expectations, and 15% of the students have opined that they have somewhat met their expectations.

The Institute believes in inclusive growth, and extracurricular activities play an important part in that. The institute hosts a cultural week, organizes sporting events, and promotes the regional art form of Yakshagana.. Regarding this question, the majority of the students (81%) strongly agreed, and 19% agreed that the teachers encourage them to participate in extracurricular activities.

Regarding the efforts made by the institute and teachers to inculcate soft skills, life skills, and employability skills to make students ready for the world of work, 79% of the students opined that the institute puts in efforts to a great extent, and 21% opined that the efforts are moderate. The Institute aspires to deliver high-quality education that prepares students for careers in industry. In this context, the Institute provides a mandatory soft skill training throughout the first and second semesters, where students are taught employability skills.

During the third and fourth semesters, students take an advanced Excel course to improve their Excel abilities. In addition, industry experts are asked to provide seminars on employability skills.

Regarding the usage of ICT tools such as LCD projectors, multimedia, etc. while teaching, 39% of the students expressed that ICT usage is to the extent of 50–69%, 41% of the students opined that ICT usage is to the extent of 30–49%, and 12% of the students opined that ICT usage is below 8%. Faculty allocated to the theoretical course employ LCD projectors and multimedia to the tune of 90%, whereas faculty assigned to the quantitative course use whiteboards since intricate working out is necessary.
