Sports Day 2018-19

The AJ Institute of Management had an exciting Sports Day on April 30, 2019, to highlight our students' athletic skills. There were tough fights for men and women in the sprints (100, 200, 400, and 800 meters) and field events (long jump, high jump, shot put, javelin throw, and discuss throw). The day was characterized by pleasant yet competitive play, showcasing the players' commitment and sportsmanship. In addition to enhancing physical health, Sports Day helped the institution's student community develop a sense of unity and cooperation.
